Sir:

OFFICE OF THE SPECIAL
PROGRAMS EXAMINER

In accordance with MPEP §711.03, Applicant respectfully requests withdrawal of any holding of abandonment insofar as there was no abandonment in fact. No notice of abandonment has been received in the offices of the undersigned. The facts underlying this request are as follows:

On July 23, 2002, a Response to Restriction Requirement was filed in response to the Office Action mailed on June 27, 2002 (Paper No. 4). Unfortunately, the Response and the Transmittal Letter contained a clerical error in the Application Number in the caption.

Applicants submit herewith copies of the papers filed on July 23, 2002, with a handwritten correction to the Application number, together with a postcard date-stamped by the U.S. Patent and Trademark Office acknowledging receipt of same. This postcard establishes *prima facie* evidence that the papers were in fact timely filed. See §MPEP 503.

Withdrawal of the abandoned status and consideration of the Response to Restriction
are respectfully requested.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.
